

1 Stop Bead Shop Classes

To help you choose the classes that best fit your experience and skills, we assign a level to each class.

Level 1 – Beginning – Open to all students. No previous knowledge required. All the basics will be covered and the class will be gently paced.

Level 2 – Beginning/Intermediate - Open to all students - Some previous knowledge **or** the ability to pick up new techniques easily suggested. Some basics will still be covered, but these classes will move more quickly beyond the basics and the techniques learned will be somewhat more challenging.

Level 3 – Intermediate – Pre-requisite experience in a similar skill set required. This level of class will require that you know the basic skill sets and will move quickly into an exciting new challenge for the advancing beader.

Level 4 – Intermediate/Advanced – Prerequisite classes or experience required.

Level 5 – Advanced – For the student who wants to learn the secrets of the artists!

Class Policies

Class Registration and Cancellation

Please choose your classes carefully. **All registrations are final.** 1 Stop Bead Shop does not allow transfers; nor do we issue credits or refunds on class registrations. You may send someone to class in your place. If 1 Stop Bead Shop cancels a class for any reason, you will receive a refund. **When a class has less than 3 registered students** the teacher has the right to cancel the class. If this should happen, you will be notified at the phone number you have provided, and you will have the choice of a refund, or reassignment to another class or time or your choice (class must be of equal cost, or you can add the difference).

Pre-registration

Pre-registration is required and reservations will not be held without payment in full. Coupons do not apply to class fees (unless stated directly on the coupon). Registration can be made over the phone with a credit card, in person, or on our website. Seating is limited and reserved for registered students only. Please do not bring children or non-registered guests to class.

Class Fees

Class fees reserve your space and pay instructor for her time, training and expertise. Unless noted, materials and kits are additional.

Minimum Age Requirement

The minimum age requirement for our Kids' Classes is 10 years old. The age requirement for all other classes is 14 years old.

Class Supplies

In some classes kits are available or supplies are included. Others will require you to choose your supplies prior to class. If you need help working out color selections, etc, we will be happy to assist you. It is a good idea to allow approx. 40 minutes before class if you need to select material. Please have all materials ready at the scheduled class time, as the class will begin on time.

Kits & Materials

If a kit is listed, purchase of the kit is required. Kits are generally not available for purchase until the day of your class. Kits often come in multiple color-ways and substitutes or "custom" kits are not available. Kits are generally available in the sample color, but are not guaranteed. In some cases, "kit & materials" are listed to allow you flexibility in the type of beads you use. You may supplement the kit with your own beads, or purchase them at the store.

Tools

Tools are NOT provided (unless noted). If you are unsure what tools will be required, please consult store personnel.

Cell Phones and other courtesies

Please **turn your cell phones to off or vibrate** mode, and **leave the class if you must take a call.** Please refrain from wearing strong perfume to class. The classroom is closed and odors tend to be overpowering. Many people suffer from allergies and asthma.

A Note on Glasses

As with any crafting work, bead-work requires that you be able to see, especially when working with tiny beads, needles, etc. If you need glasses, bring them! If it's time to see the eye doctor, that's not a bad idea either. If you can't see, you won't be able to do your best work!
