Project Of The Week

Did you pick up your Red Velvet Earrings? We can also help you put together other color combos for similar earrings that will be the best stocking stuffer.

You can't use up creativity.

The more you use, the more you have.

Come Sit and Bead with Us!

Escape the hustle and bustle between holiday events.

Bring a project or start a new one at our beading tables.

And, if you really need to retreat from crazy demands, sort through the fish bowls.

Our tables are open during all store hours.
